PROFILE

A dedicated and detail-focused Computer Science graduate from Ateneo de Zamboanga University with a strong foundation in technical support, digital systems, and problem-solving in fast-paced environments. Known for being dependable, organized, and able to work effectively both independently and within a team. Always eager to learn new skills and take on challenges that support growth. Currently seeking for a role where I can grow, contribute to a team, and build a long-term career with a company that values growth and dedication.
